**EMTEK<sup>®</sup>**

At Emtek, we design and create beautifully crafted door and cabinet hardware styles for the home.

However, it is the work of designers that really turn a house into a living and loving home. Together, we strive to inspire and encourage creative expression through personalized hardware solutions to help people build the home of their dreams.

In honor of our growing Instagram community reaching 100,000+ followers, we're thrilled to celebrate some of our favorite projects that bring Emtek's products to life.
